25-27 High Street, Rotherham, South Yorkshire, S60 1PT

'Hambys Antique Centre is situated on the High Street, in the heart of Rotherhams town centre'

The landmark building, dating from 1470 is a Grade II* former Medieval town house with a later Tudor frontage. The centre has an impressive trading position in a conservation area in the oldest quarter of town, 100 yards from Rotherhams' Minster. The area has recently undergone a multi million pound redevelopment with many historic and listed buildings being renovated.

The centre occupies three floors, housing up to 70 dealers.

On the upper floors are heritage rooms, with free entrance to the public. We have a stairlift to the first floor, but due to the nature of the building access to the top floor can be difficult for the less mobile.

Trading hours are 6 days a week. Monday - Saturday 10.00 am - 4.00 pm

We welcome dealers who wish to rent out cabinets or room space. We provide staffing, wrapping materials and include all overheads in our rentals. The centre is fully alarmed, has a CCTV system and is insured for public liability. Stock insurance for damage or loss is the sole responsibility of the dealer.
